1887  
Erode

Died  
26 April  
1920  
Kumbakonam

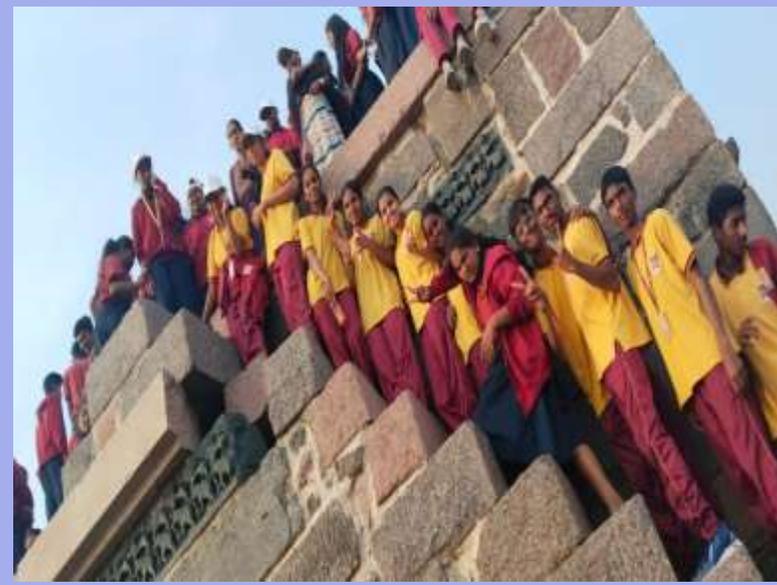

## Human Rights day

# Educational Trip – Warangal Trip

# Early Morning classes

Every discussion is an exchange. Students feel empowered to deal with challenges as they focus on what's within their control rather than on what's not.

Do you know that there are many English words that are adapted from Sanskrit, Sanskrit is a classical language and is considered one of the oldest human languages. The oldest form of Sanskrit is Vedic Sanskrit, which dates back to the 2nd millennium BCE

With the onset of mobile phone and playstation, children have never known the indigenous games of India like ashta chama, 5 stones, pachisi. through FIT India introducing them through the games period
